A message from the president

Leith Parker

The Narre Warren Junior Football Club (NWJFC) is committed to offering everyone in our community the chance to engage in healthy, safe, and inclusive football activities within a fun, family-oriented environment. Our club is run by dedicated volunteers who generously contribute their skills, time, and support to ensure we provide a range of structured programs.

We take great pride in being a local club with teams for both boys and girls. Established in 1975, the 2025 season marks our 50th anniversary, a milestone we are incredibly proud of. Each year, we invite local businesses to support our club, which is why I am writing to you. As a not-for-profit organization, all our funds are reinvested into the sport. We rely entirely on the efforts of our wonderful volunteers, parents, and corporate/community sponsors.

Sponsoring NWJFC is not only a fantastic way to engage with the community but also an excellent marketing opportunity for your business. We recognize that in today's economic climate, sponsors need value for their contributions. Therefore, our committee has developed a variety of sponsorship packages to offer local businesses and organizations flexible ways to support their community.

As a sponsor, we guarantee to promote your brand, product, or service throughout the club and the wider community at every opportunity. NWJFC is dedicated to fostering an environment that prioritizes family values and prides itself on integrity, innovation, and teamwork.

Why NWJFC?

Why sponsor the Narre Warren Junior Football Club

About our Club

Over 50 Years Strong

Established in 1975 following a separation from the Senior Club, the Narre Warren Junior Football Club has formed its own strong identity and has continued to run successfully for the last 50 years.

Operating from Sweeney Reserve, which was named after the clubs first President, Pat Sweeney, the facilities match those of any junior club in Melbourne.

Over its 50 years, the club has produced some AFL stars including Brendan Fevola (Carlton), Trent Croad (Hawthorn), Chris Newman (Richmond), Adam McPhee (Essendon), and Steven Salopek (Port Adelaide), just to name a few.

Our club is committed to offering everyone in our community the chance to engage in healthy, safe, and inclusive football activities and does so being run by a group of dedicated volunteers who generously contribute their skills, time, and support to ensure the club continues to be a success which was recognised when we were awarded the South East Juniors League Best Conducted Club, an honour we are extremely proud of.
